For official use only

Ministry of Labour Permits for Nationals of Palestine, Albania, Bulgaria, Czechoslovakia, Hungary, Poland, Roumania and Yugoslavia and Stateless Aliens domicilled therein.

--

REFERENCE my circular V/I8 of 16th March.

It has been arranged with the Ministry of Labour and National Service that Ministry of Labour permits shall not be granted in respect of the nationals of the above-mentioned countries living in their own countries, nor in respect of Stateless aliens domiciled therein, unless the individual has some very special qualifications such as would cause the Ministry of Labour to take the view that the national interest would be better served by admitting the alien despite his virtual non-returnability. Permits will be issued in the latter type of case only after consultation with the Home Office and visas will, therefore, be authorised.

Permits will, however, continue to be issued without consultation with the Home Office in respect of nationals of the countries referred to above where the individual concerned is domiciled outside Palestine or this side of the "iron curtain". In view of the fact that such persons are, for practical purposes, non-returnable to their own countries, the period of employment specified on the permit will not exceed eight months. You should treat such persons as though they were Stateless aliens, that is to say in accordance with paragraph 4 of circular

V/33 of 14th July, 1947. You may grant visas without reference only if the individual has a return visa or re-entry permit amply covering the period stated on the Ministry of Labour permit.

M. JEFFES.

To His Majesty's Consular and
Passport Control Officers
authorised to grant visas.
